- Name changes ~ Permitted on or before Sept. 8, 2019 (for the room only)

Airfare

Air is not included in above quotes. Please advise if you need assistance reserving your flights.

Travel insurance

Travel insurance is optional, but strongly recommended. Premiums are based on the age & cost of each traveler at the time of booking (kids under 17 are free with paying adults). Travel insurance covers several unforeseen issues that may arise before and/or during travel. Coverage includes cancellation due to major medical reasons, death in the family, and weather issues prior to or during travel. The coverage also acts as primary insurance during travel for emergency medical coverage.
